

Ticket Sell-Out Policy

ComiCon Erie would like its attendees to know that in order to comply with all building capacity regulations, we have set limits in all categories of tickets. We would never sell above the building capacity and never intend to out of courtesy for the Bayfront staff, security, and Erie Police department.

Of course it is impossible to predict if and when a ticket category will sell out. If this should be the case, our only option as show producers is to only allow those who have pre-purchased tickets in to the event. Others will have to wait outside until the building capacity drops, or simply purchase tickets for a different day. We highly recommend you pre-purchase your tickets only at comiconerie.com in order to avoid this situation.

If you did not buy tickets in advance, you may still come to the show with the understanding that pre-purchased tickets will have the right-of-way regarding a maximum capacity situation.

Buying your tickets in advance guarantees you will be able to enter the show, that you will receive your ticket(s) at the pre-sale only discounted rate, and if you purchase the 3-day pass, you will be able to get in a half hour early each day before general admission.

We appreciate our customers and thank you for understanding.
